**2021**  
23-26 SEPTEMBER

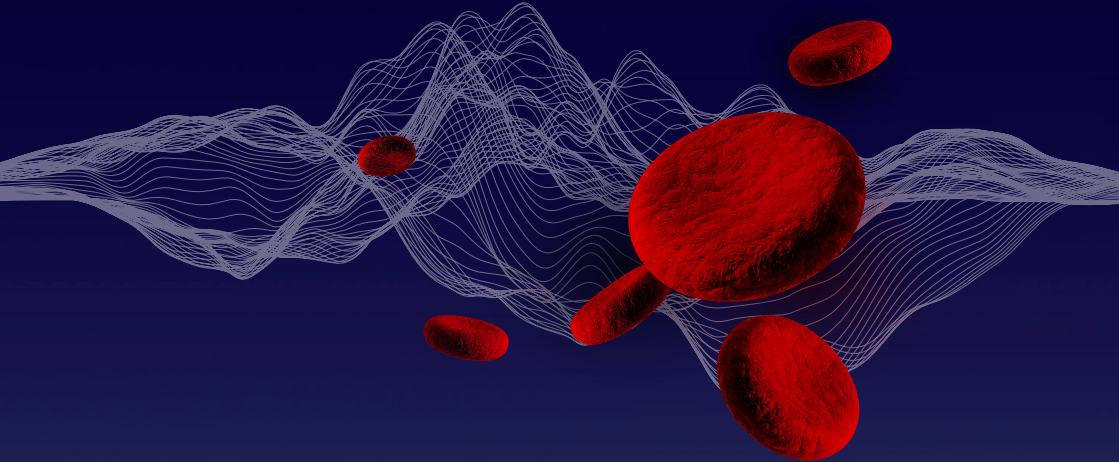

**TORONTO, CANADA**

[MDS.KENES.COM](https://www.mds.kenes.com)

# MAKE A DIFFERENCE.

MDS has aims to be the premier forum for presenting the latest advancements in myelodysplastic syndromes and offer the best knowledge for the treatment of patients and improving their well-being. We invite you to become part of our continuously growing community and join our next MDS Congress.

**Join us in the magnificent city of Toronto for  
the MDS 2021 Congress on 23-26 September 2021!**

# TORONTO WILL MESMERIZE YOU!

International, cosmopolitan, creative and bustling, Toronto has a unique atmosphere.

Toronto is Canada's continental gateway and an international focal point where the world loves to meet. The city offers the perfect setting for a global meeting, and guarantees you're destined to have a fabulous time.
